Sponsored by
The American Legion Auxiliary, Department of Colorado

Congratulations on being selected as a delegate to the American Legion Auxiliary CO Girls State virtual program. You will have the unique opportunity to learn about government by participating in this program with girls from the entire state of Colorado. You and your parents/guardian must read and sign the following rules and pledge sheet. Return with the Registration form to the American Legion Auxiliary Unit that selected you.

ALA CO GIRLS STATE VIRTUAL RULES

1. Please find a quiet environment while attending this virtual session.
2. Cell phones are allowed during ALA CO Girls State virtual sessions for the use of research, pictures, and communication with your city. ALA CO Girls State is a highly selective program, choosing young ladies with outstanding academic accomplishments and decorum. Each day is scheduled with specific meetings and guests to the program, including sponsors and speakers, who frequently interact with citizens and staff. Consistent with those high expectations and our public visibility, professional attire is required at ALA CO Girls State. Descriptions of the required attire are described in the "**Dress Code for Meetings and Educational Virtual Sessions**" form. **In the event an ALA CO Girls State delegate is dressed inappropriately, as determined by a City Counselor or the Director, the citizen will be asked to change clothes. The change in attire will occur before the citizen will be allowed to participate in the day's activities online.**
3. Delegates may not smoke, vape or use alcohol during ALA CO Girl State virtual session.
4. The ALA CO Girls State Director, can, will, and has dismissed citizens for violation of the ALA CO Girls State Constitution and Bylaws and Standing Rules. A letter written by the ALA CO Girls State Citizen is required, telling why she is being requested to leave the ALA CO Girls State virtual session. This letter will be sent to her high school and the sponsoring American Legion Auxiliary Unit.
5.
